CANDELA 1972

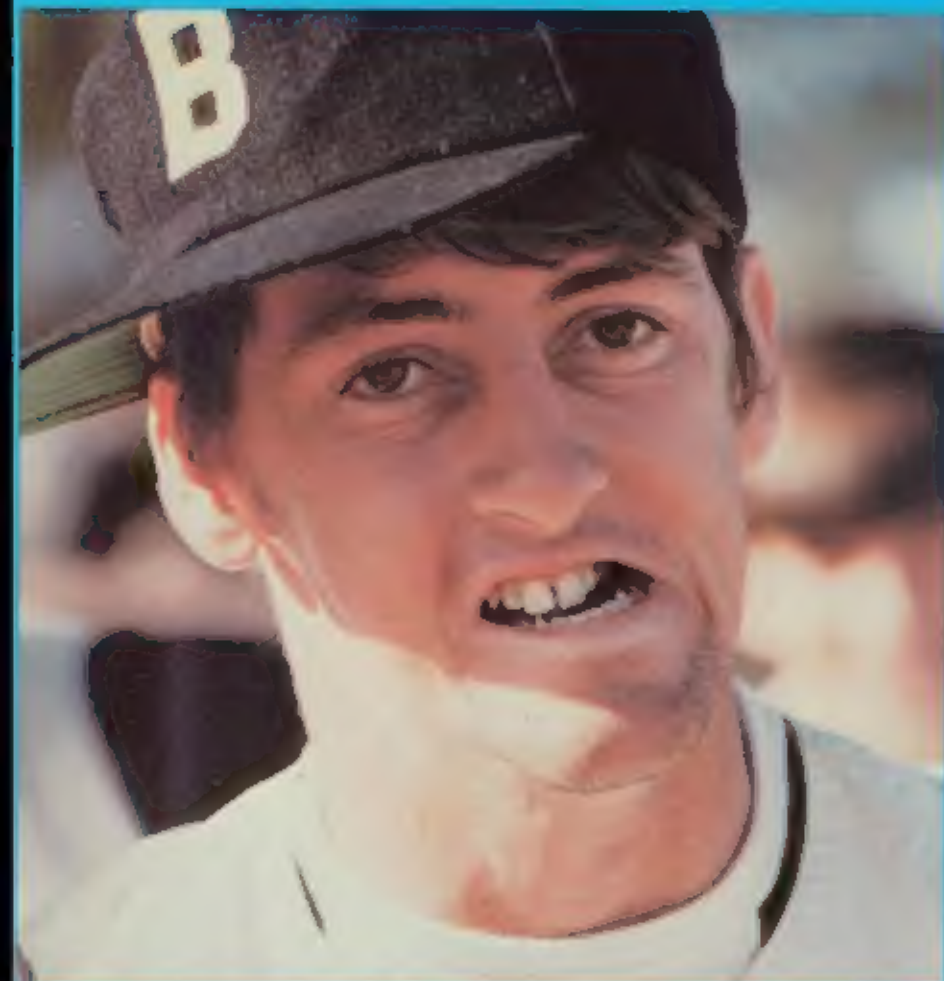

We've only just begun

... to live!

*White lace and promises . . .
... a kiss for luck,
and we're on our way . . .*

Sharing horizons that are new to us

*Talking it over just
the two of us*

Working together day to day.

So much of life ahead

*We find a place where there's
room to grow*

Valedictorian

Gary Scott

To be awarded the title of valedictorian is perhaps the highest academic honor which a Butler student can possess. Based on the highest scholastic average, the honor is awarded to the senior who has filled his high school career with academic pursuits

Betty Crocker Award

Linda Ahernathy

The Betty Crocker Award is given to the girl who scores the highest on the home economics examination. This coveted award includes an academic scholarship and an opportunity to achieve even higher honors

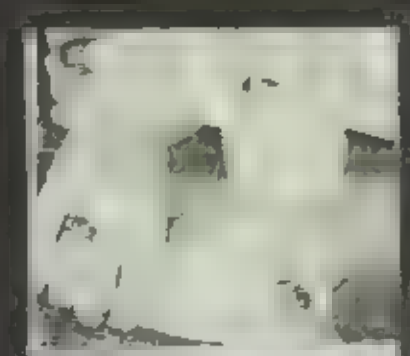

A Salute

What is a teacher without a smile? What is a subject without its humor? What is school life without variety? The student who knows the answers from experience would be delighted to receive instruction from Mrs. Brassell. Her untiring ability to make a witty remark about any situation as well as her kind and personable character make her a favorite with the students. So to her, with great appreciation, we dedicate the .972 Candela

Butler Football '71

The fall of 1971 was different from, yet exactly like any other fall at Butler High. Different because new personalities enriched the school's cosmopolitan atmosphere. Exactly alike because once more the sport of football carried its excitement on a power play into the hearts of those who crave action, emotion, of Butler athletics. The Bulldogs provided the action: charging, leaping, flanking, and sliding; the Pep Club, Cheerleaders, and fans delivered high-strung emotions: yelling and screaming with delirium.

The teams line up, the partisan stadium rises to its feet, and then the ball falls into the hands of the carrier en route to a goal line that lies on the other side of a mass of humanity

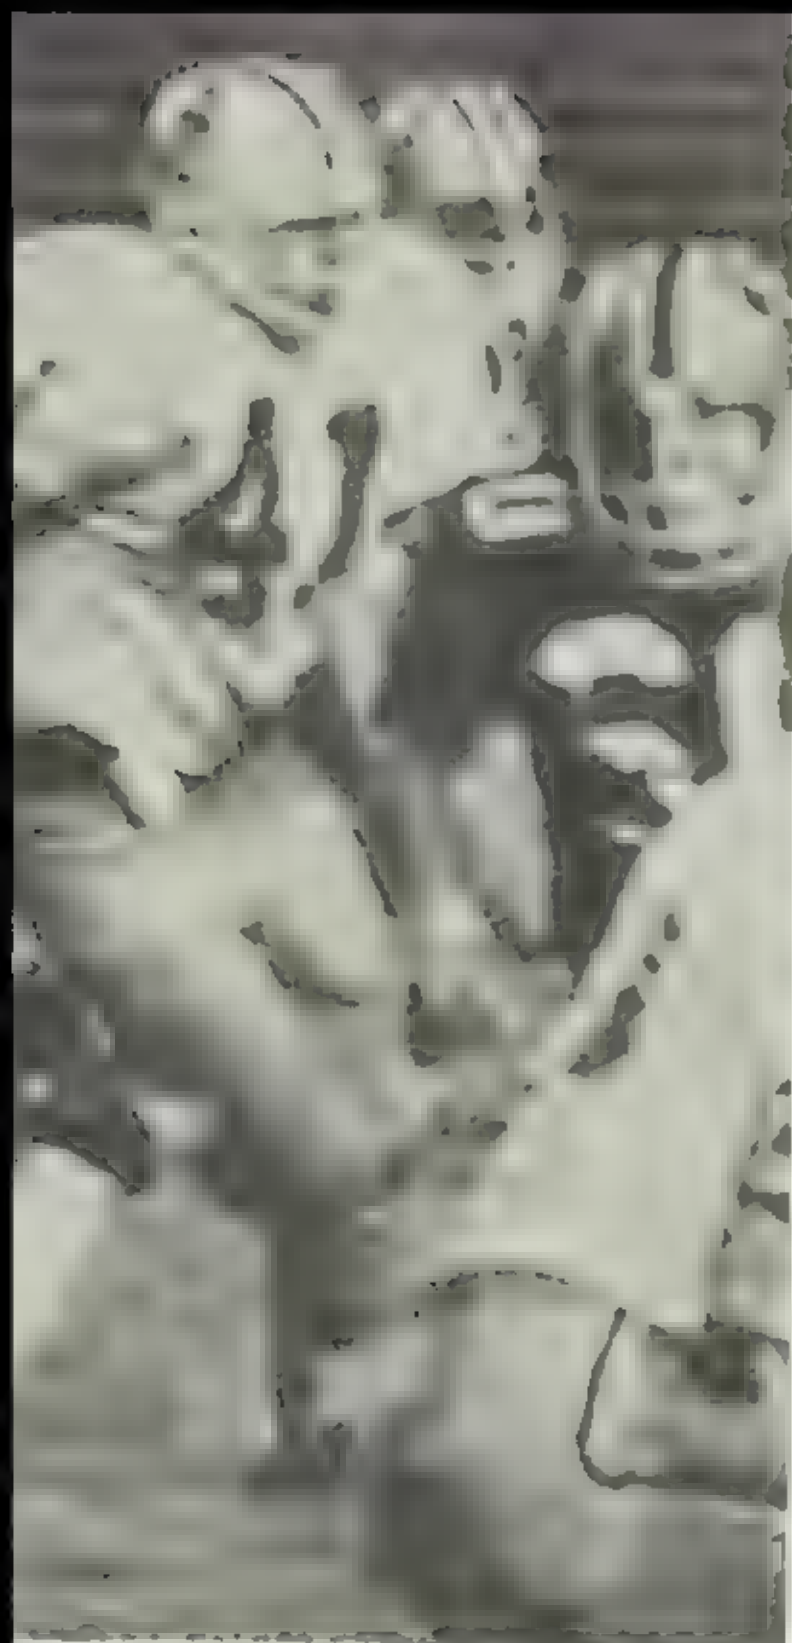

Crashing forward with determination the Bulldogs rout one of many opponents. The intensity of the game is reflected in the faces of those in the stands. Butler too has its moments of frustration.

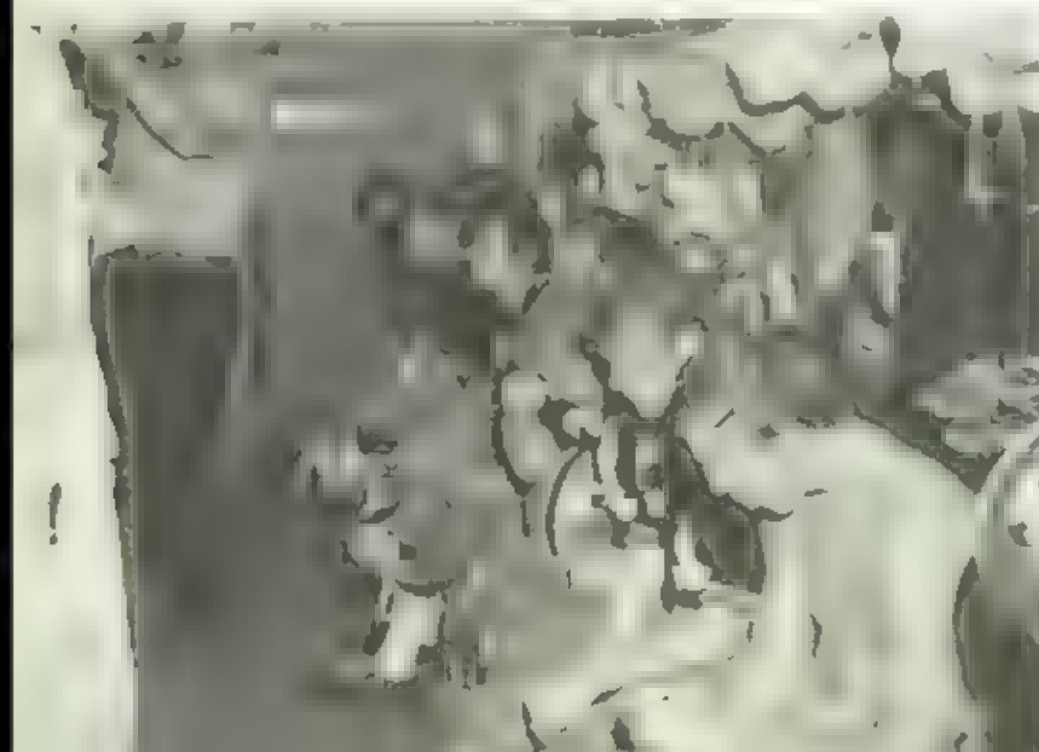

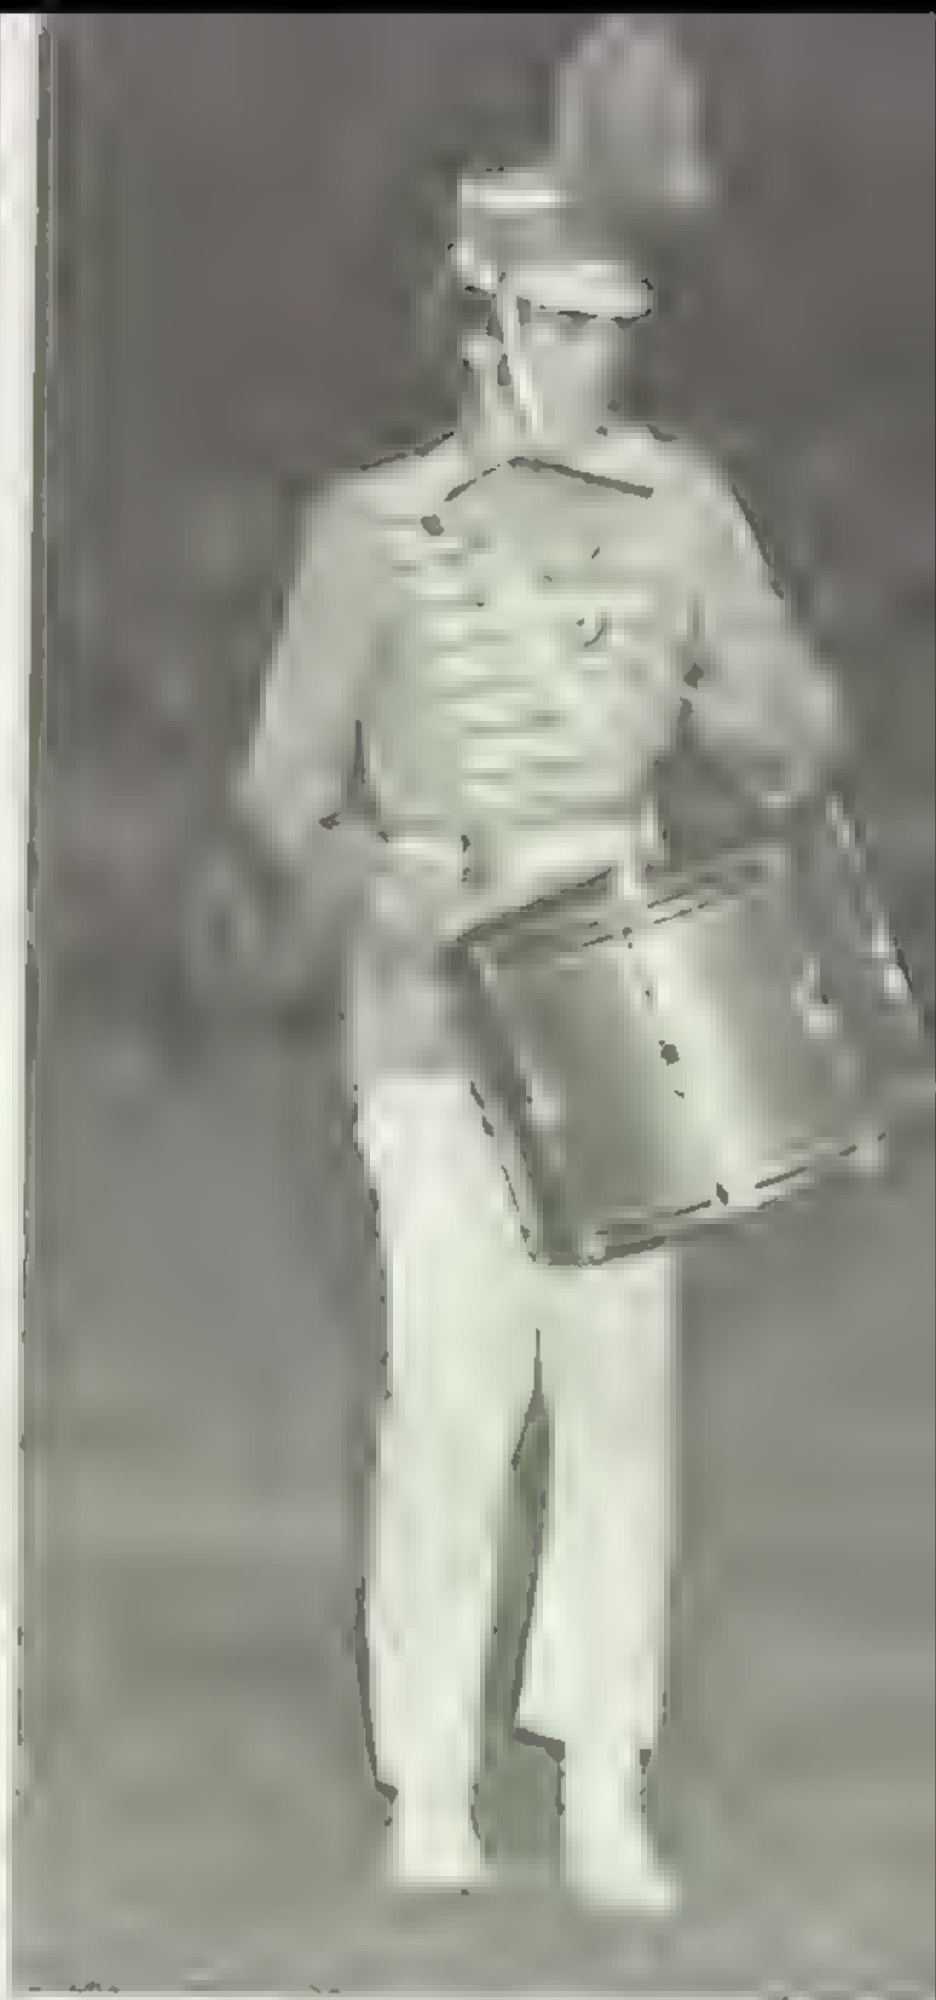

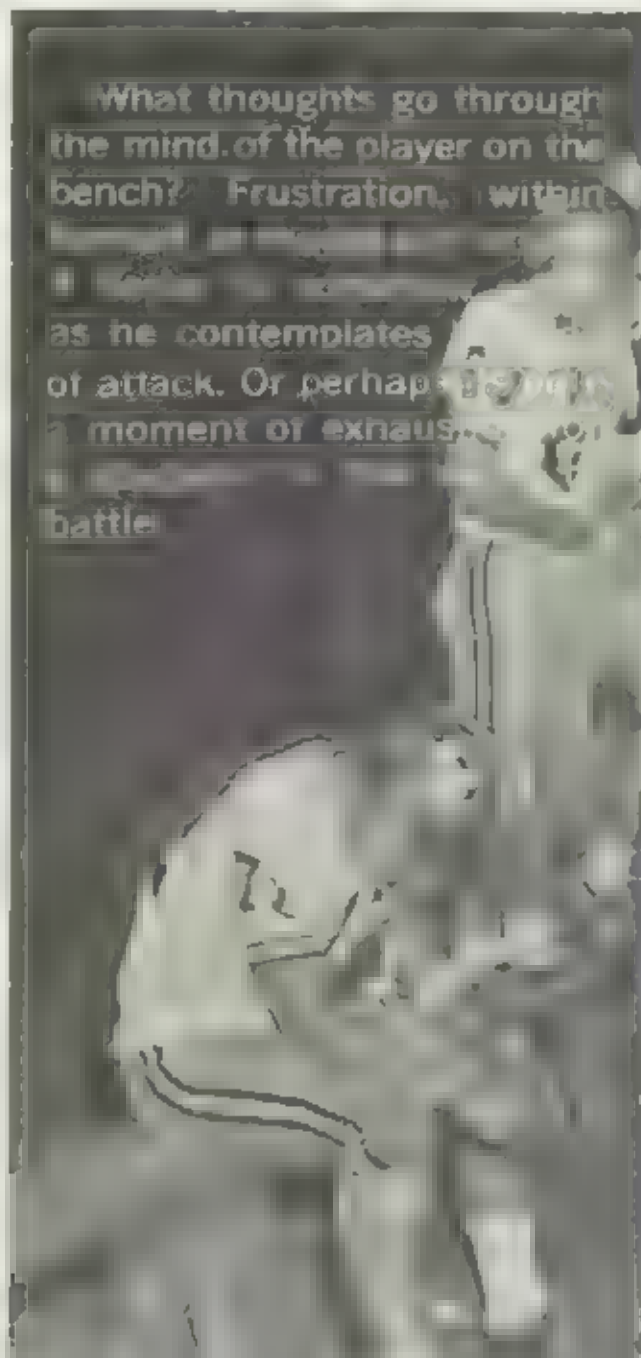

WHETHER IT'S homecoming or just another thrilling halftime, the feeling is the same. First, the traditional fanfare, then the precise formations, and finally, with a bow, the Butler High School Marching Band brings to an end another performance. These forty-five musicians never fail to impress their audience, and always manage to erase the anxiety of football for a brief instant while creating a feeling unlike any other: halftime

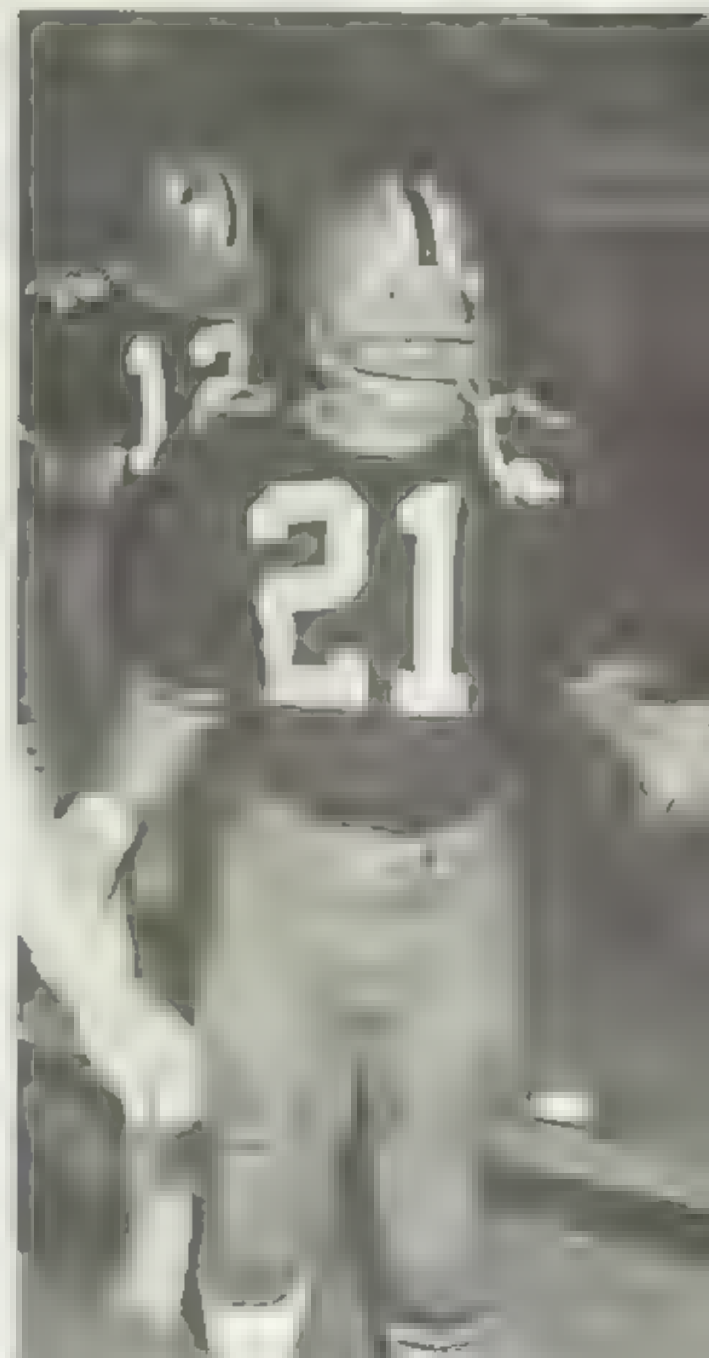

What thoughts go through
the mind of the player on the
bench? Frustration, within

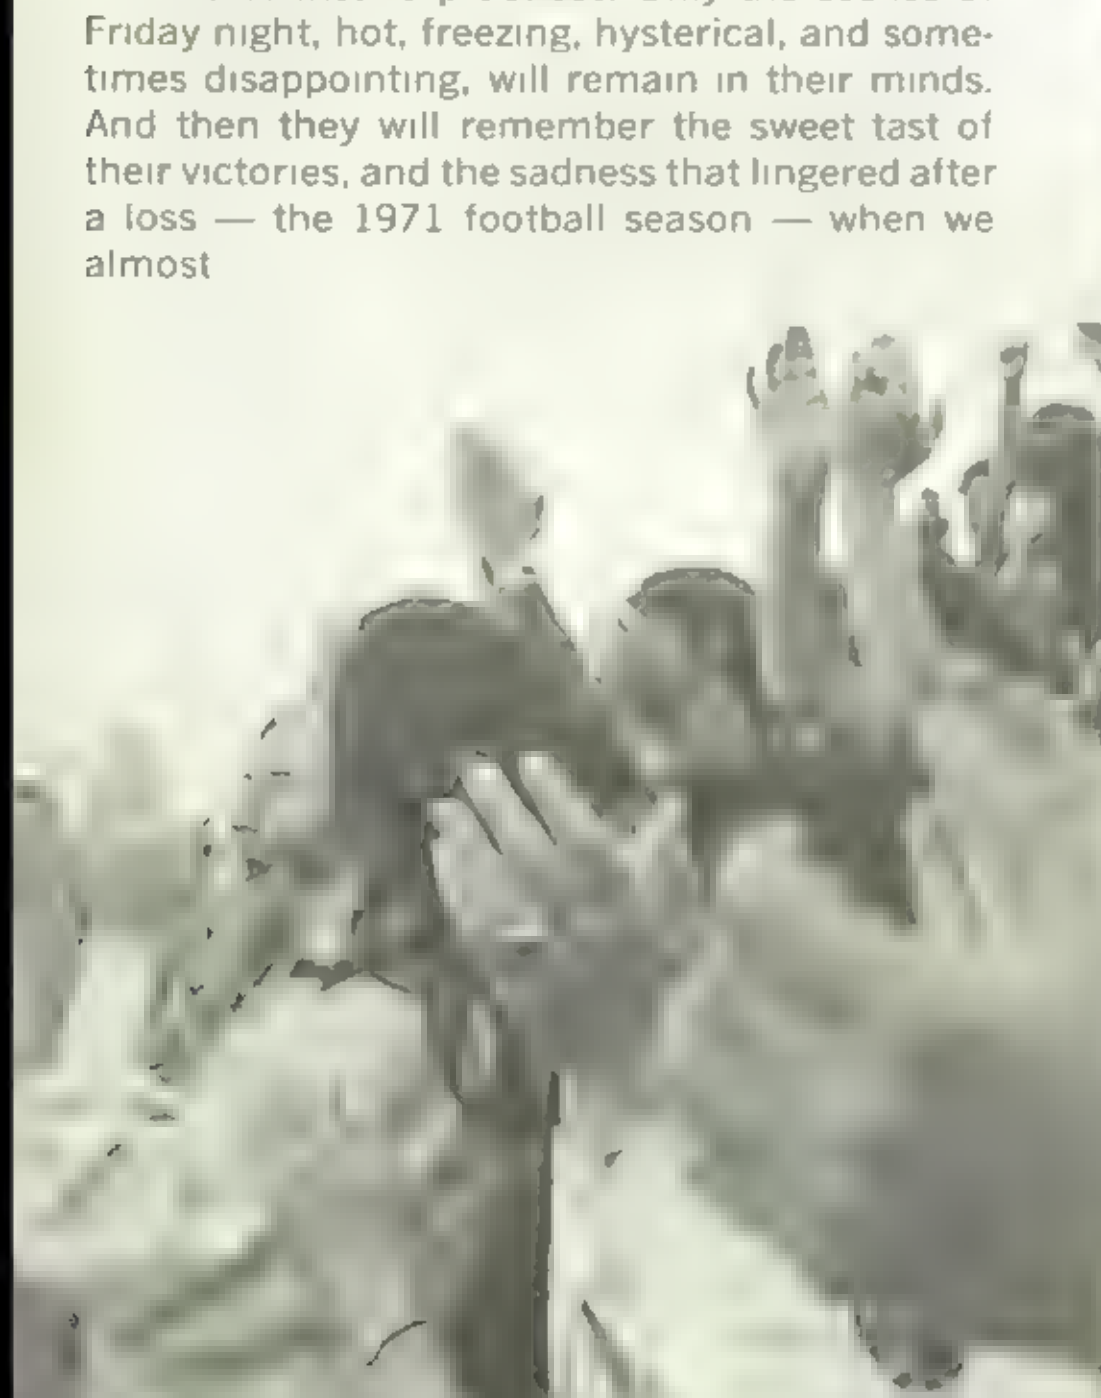

as he contemplates
of attack. Or perhaps a
moment of exhaus-

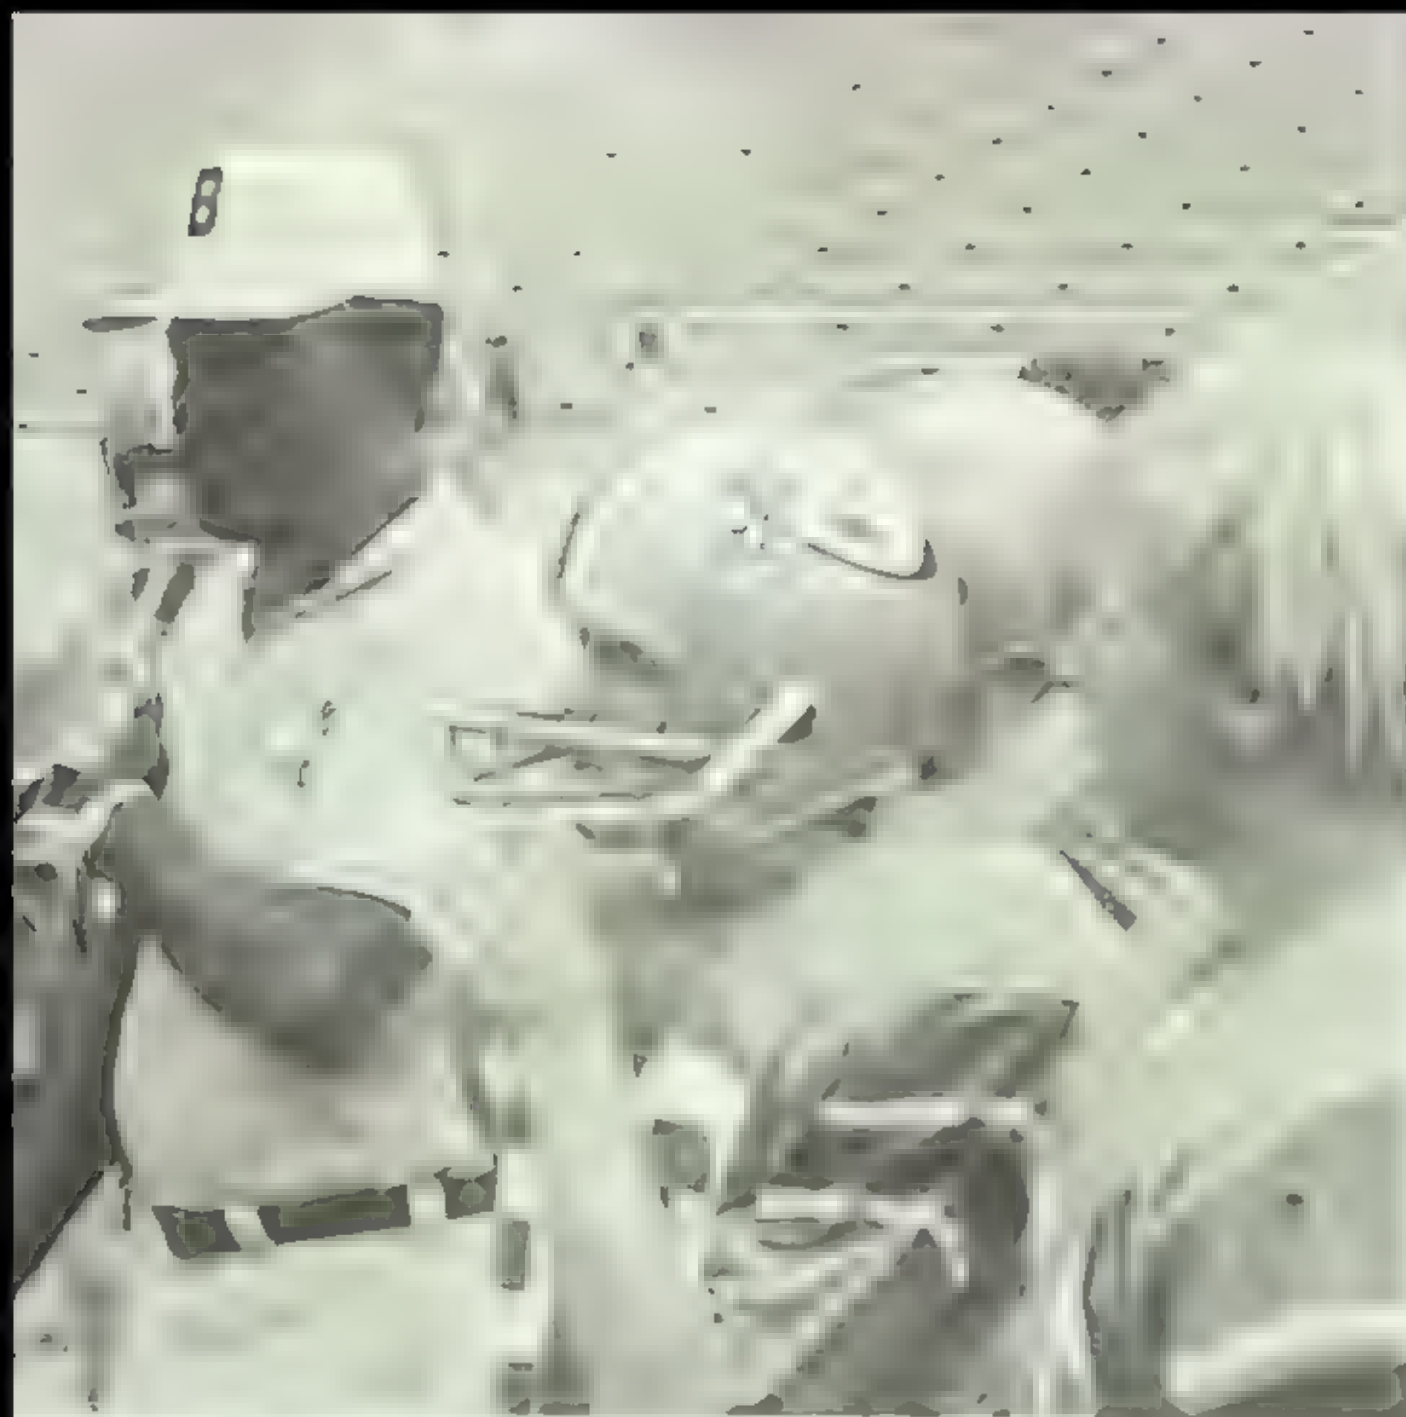

battle

FOR THE SENIORS of BHS. this was their final autumn. and autumn meant football. As the memories of high school days grow dimmer, they will no longer recall the B-Varsity games, or rumors of insane practices. Only the scenes of Friday night, hot, freezing, hysterical, and sometimes disappointing, will remain in their minds. And then they will remember the sweet taste of their victories, and the sadness that lingered after a loss — the 1971 football season — when we almost

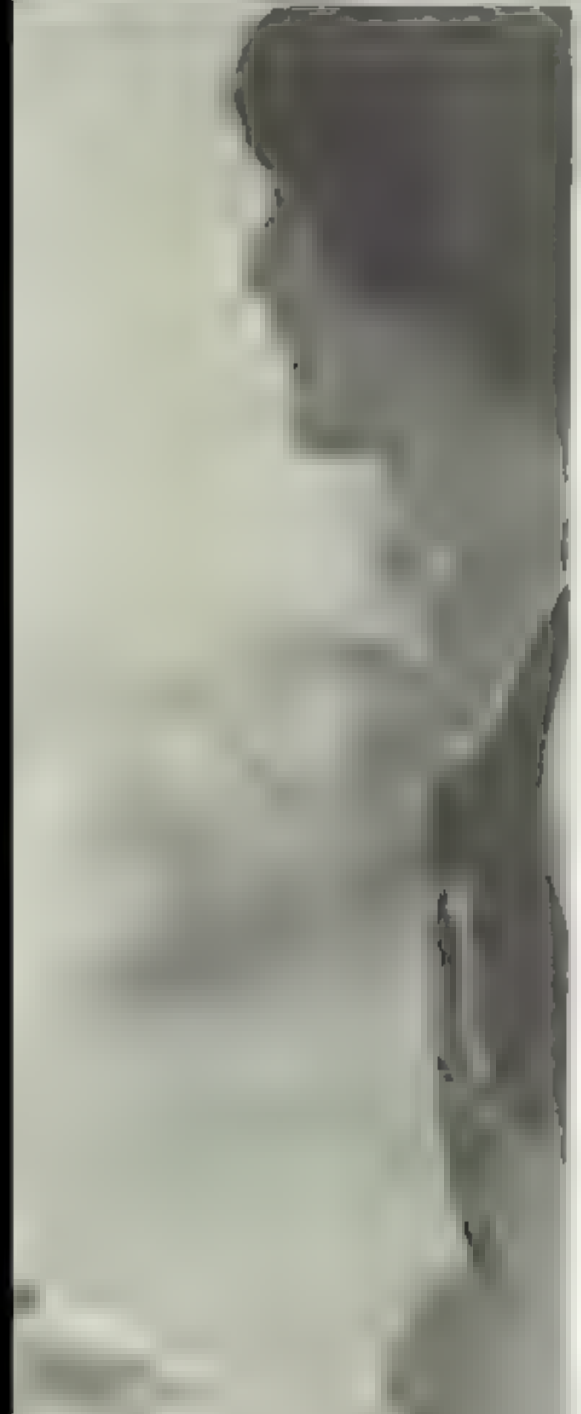

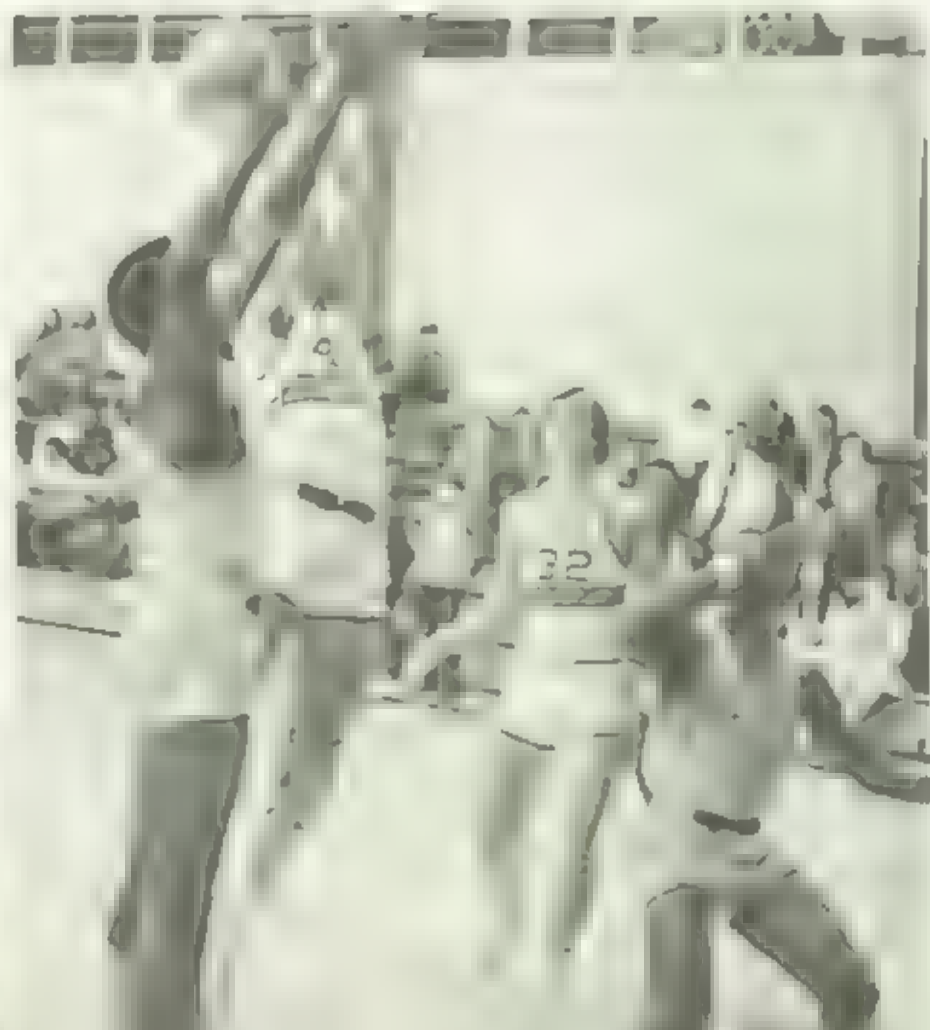

THE SEASON OPENED gloomily when the spoiler, Aiken, handed Butler a defeat in her first game, 8-7. But after careful review and reform of the team, Coach Russell matched the Bulldogs against North Augusta in the Shrine (Water) Bowl on Sept. 17, and Butler arose victorious, 12-6. Next, the Bulldogs combined its highly-praised defensive machine with its methodical and powerful ground game to produce a "field day" romp over respected N.E. Macon, 40-0. For the grande finale of the preconference games, Butler narrowly escaped from hot and humid Savannah as they scored a last-minute touchdown to defeat the Sol Johnson Atomsmashers, 13-6. BACK IN AUGUSTA-the following Friday-the Bulldogs opened the conference race playing host to Lucy Laney High School. The two teams were held to a deadlock the majority of the evening. But Laney managed one solemn touchdown which proved to be the margin, 0-7. The loss was partially avenged when the 'Dogs traveled to Baldwin Co. and completely shut out the Braves, 39-0. Coming back to the Garden City, but not to Butler Stadium, the following weekend held more roses as the Bulldogs bulldozed past ARC in their 3rd shutout, 26-0. But then, on their final road game, Butler was treated to a heart-breaker, losing once again to Laney via a 'Cat touchdown in a game of literally inches, 0-7. The next match, however, ended with a very satisfying homecoming victory over Baldwin, 20-0. In the last game of the season, Butler was disillusioned at losing her chances for the Region, and Richmond had apparently improved. The result: Butler was held, 6-28. Final verdict: a successful season, won 6, lost 4.

BUTLER TRACK & FIELD

MAN against man, man against himself, man against nature. . .In track and field, like no other Butler athletic competition, these three elements are prominent. Alone with yourself, straining to the limit of your physical abilities - to jump the highest, or farthest - to run the fastest, and yet faster - to endure until the victory has been captured!

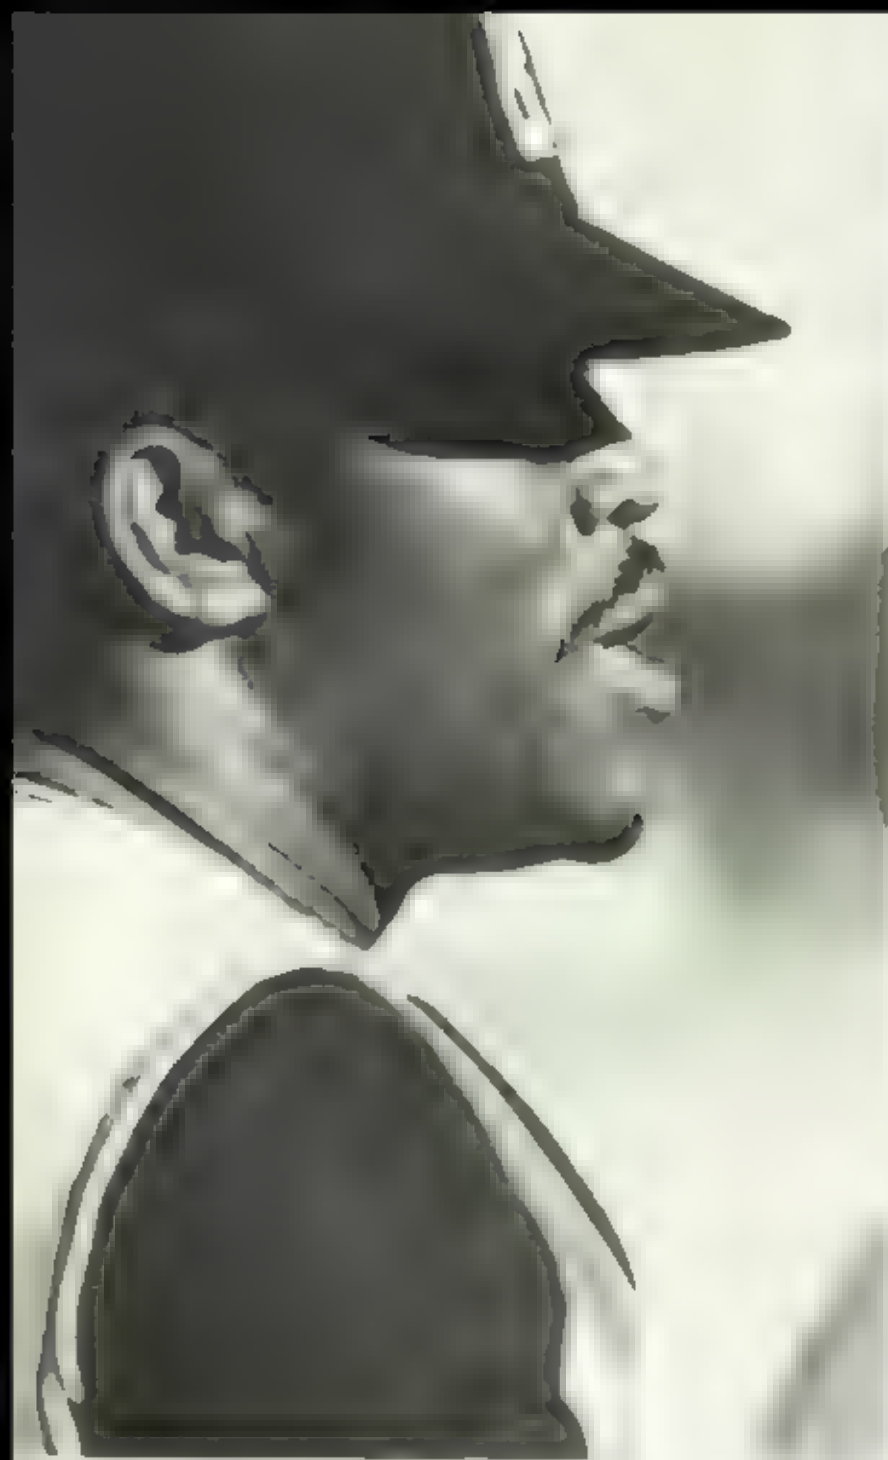

Hardy power made homer in previous game

BUTLER BASEBALL 1972

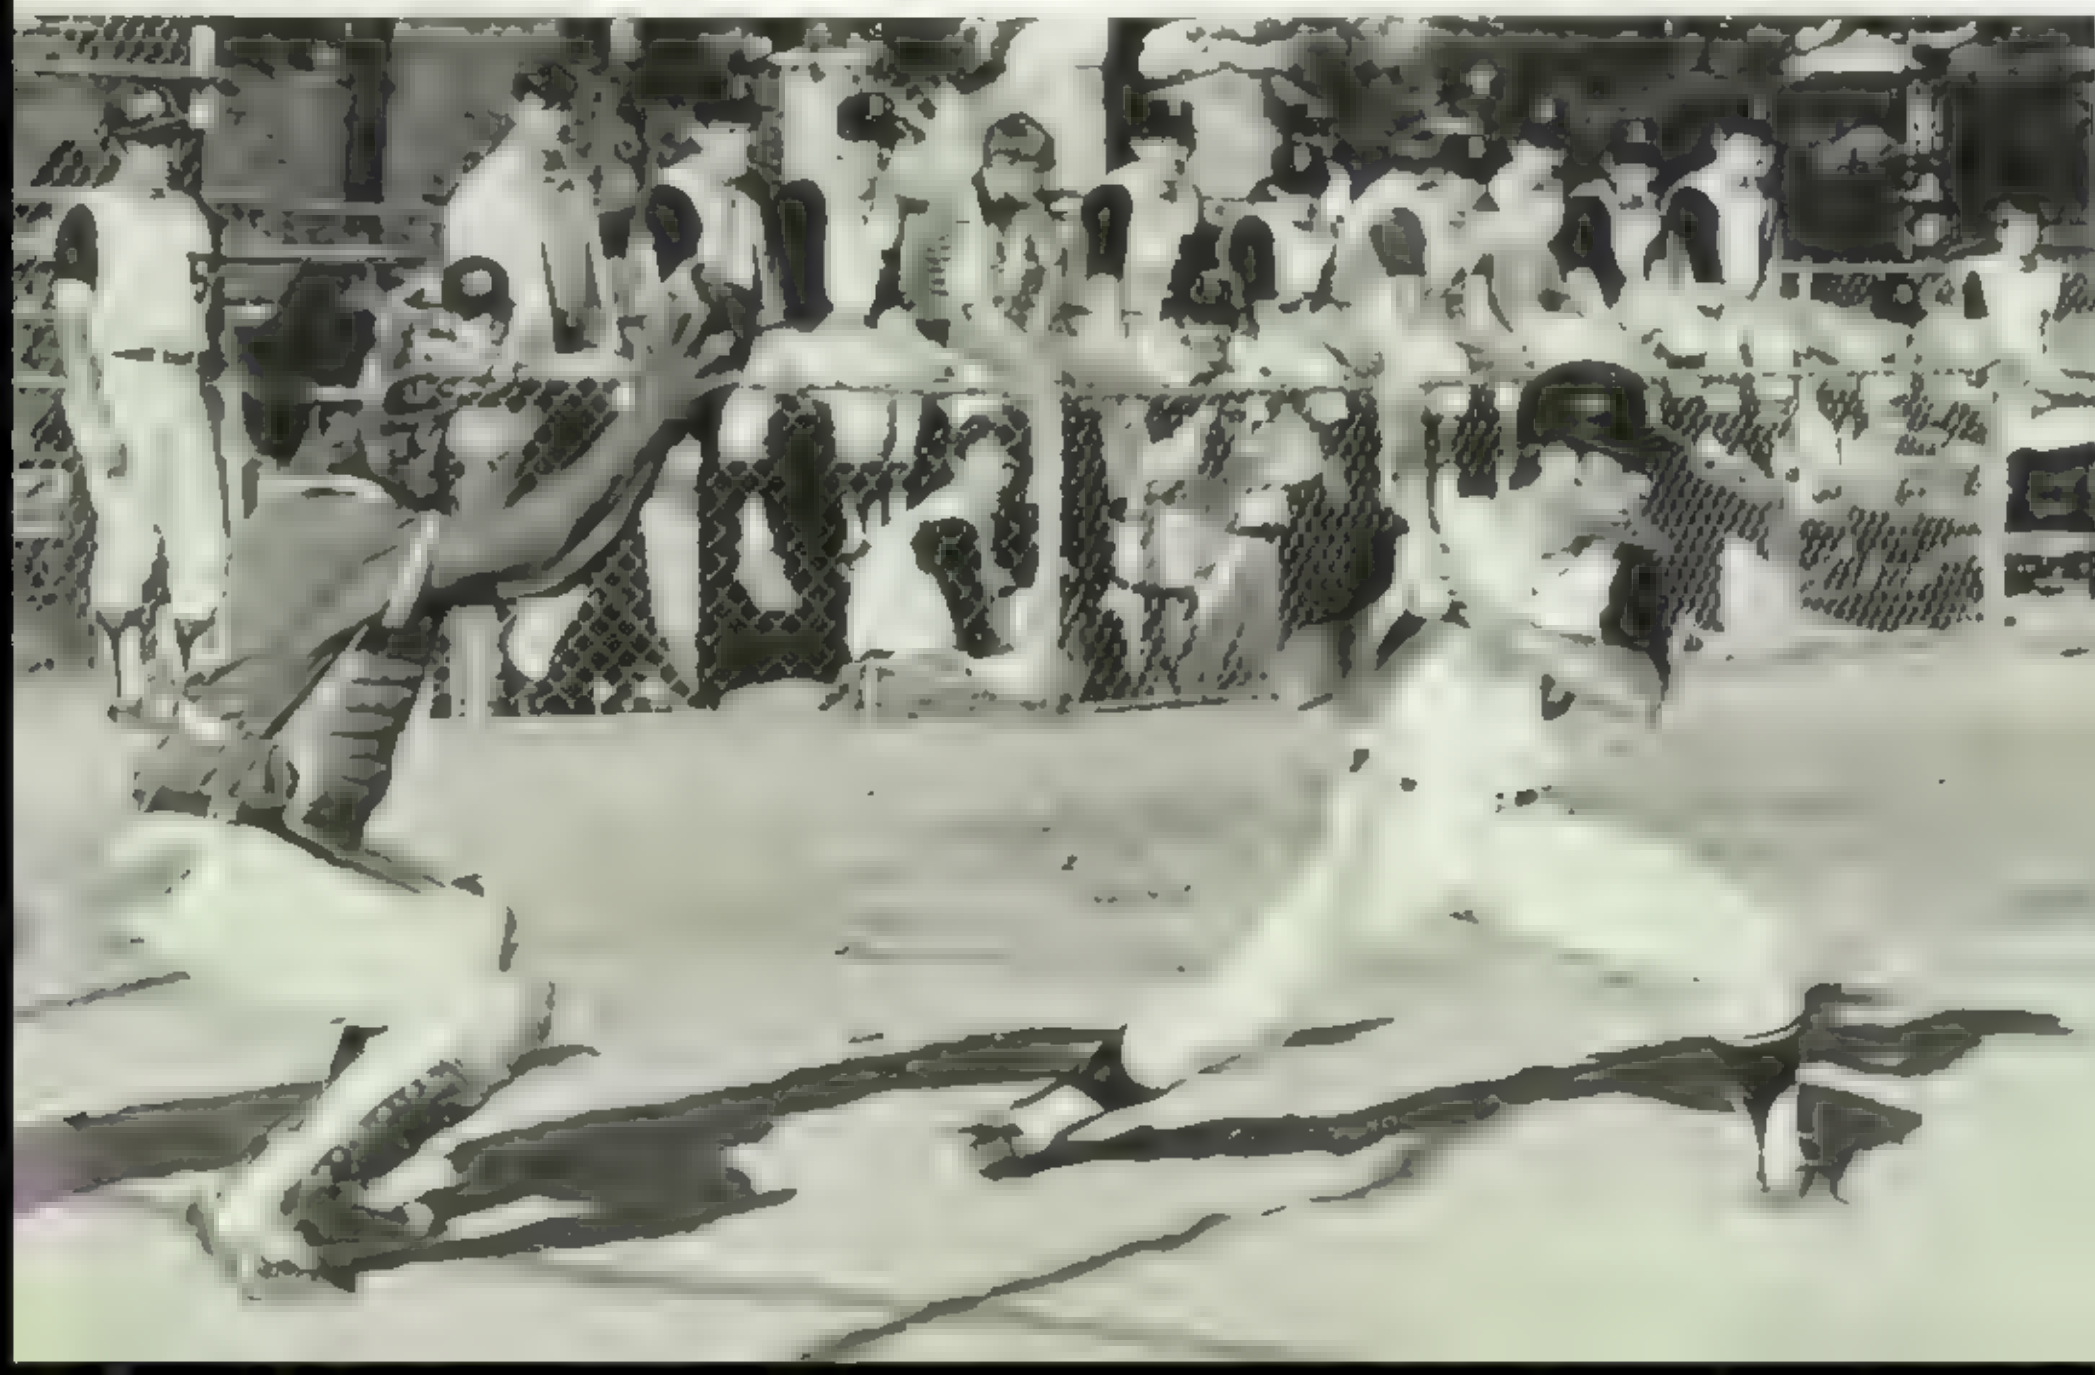

BASEBALL, the bond between spring and summer offers a unique thrill that no other sport can generate. The determination of the lead-off batter, the anxiety with the opening pitch, and then the crack of the bat render the fans motionless as all eyes follow the ball to its destination. For three consecutive years, Butler baseball has been symbolic of talented development, devoted training, and seasons of winning respect.

For three consecutive years, The Bulldogs have proved to other region baseball teams that BUTLER is NUMBER ONE! Talented players and school spirit is largely responsible for Butler's enviable record. To a certain degree, however, the victories can be traced to one man.

Coach Warren McFadden has been an inspiration to the Bulldogs. He has taught the value of hard work and self-denial to our players. The Class of '72 says, 'Go Dogs!' and 'Keep that winning habit!'

It's true today
as it was when
your great-

great-great
great-great
great-grandfather
was a young man

The Georgia is there!

America was 50 years old as a nation when Georgia Railroad Bank & Trust was founded in 1853.

Andrew Jackson was in office as our Seventh President. The Wright Brothers were 70 years away from getting it off the ground at Kitty Hawk.

Since that time, we've weathered national financial crises, wars, floods, fires, pestilence,

booms and busts. And we've managed to keep up with new and better ideas to meet the needs of each successive generation.

Now it's your turn. We're pleased that you have ideas that can help. We're here to help you get them started right now.

That's why we're still around!

L.G. BALFOUR COMPANY

The world today is looking for men with determination, men who are honest, sound from centre to circumference, true to the heart's core, men with consciences as steady as the needle to the pole, men who will stand for the right, the heaven of the earth, men who will tell the truth and look the world right in the eye;

Men who are gutter or gutter run, men who neither lag nor loach, men who can have courage without shouting it, men in whom the courage of everlasting life runs steady, deep and strong, men who know their message and tell it;

Men who know their place and fill it, men who know their business and attend to it, men who will not be shirk or dodge, men who are not too lazy to work for the poor and the poor, men who are willing to eat what they have earned and wear what they have paid for;

Men who are not ashamed to say "No" with emphasis and who are not ashamed to say "I can't afford it".

IN MEMORIUM

Large was his bounty, and his soul sincere
Heaven did a recompense as largely send
He gained from Heaven ('twas all he wished) a friend.

On March 31, a member of Butler passed away. He was not an alumnus, nor a member of the faculty or staff; yet he was the staunchest supporter that Butler ever had. Willie Potter never had the privilege of attending our school, but his pride and loyalty to Butler exceeded by far that of anyone who ever has attended. No matter how poor a season the Bulldogs had, or how low the spirit of the students' sank, Willie's spirit never faltered.

Willie was blessed with eternal childhood and he possessed the love of life that only children can have. Willie was often the target of good-natured ridicule, but he never took offense. Although Willie was retarded, he knew the difference between right and wrong. Willie loved the Lord and lived a life far above the standards of many Butler students both past and present. We all could profit from having known Willie. Willie loved Butler and Butler loved Willie in return.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β .
